T&C'S

Please note that our style of service is casual and the nature of the food truck does not permit sit down dinners for large groups or large parties all eating at the same time. The idea is more grazing.

All of our sliders are cooked to order, we do not pre or reheat anything and this service takes a little time. We aim to be able to serve 40-60 people within a 60-90 minute period.

We require a 25% deposit to be paid to secure the date of the event and the balance paid, in full, 15 days before the event. The event can be cancelled and this deposit refunded up to 15 days before the event date.

We require a guaranteed minimum spend of £500.00 (but everything is negotiable).

A mileage fee of £1.00 per mile travelled from & to our home base at CB11 4RY will be added to your invoice beyond a 25 mile radius.
